

Memory Calendar 2016

(a useful organiser for everyone)

One day at a time - simply enter what is important to YOU on a particular day – events, appointments, anniversaries, visitors TV programmes... then turn over a new leaf each day! Place in a prominent position - it is self-supporting or can be laid flat (even carried in a handbag)

This new-style calendar is a useful organisational and communication aid to help everyone, especially all carers (family members or visiting carers) and those cared for. Originally devised in response to a perceived need by a person with Alzheimers and her carer, it was extensively trialled in Derbyshire before publication

105 x 148 mm
Page per Day
Clear Layout
Recommended Font
Self Supporting or Lie Flat
Available now
RRP £10.00, please add
£2.50 P & P
