**Shortlisted entries announced for The Stationers' Company
Innovation Excellence Awards**

The Stationers' Company announces it has shortlisted 20 entries from the 49 submitted for this year's Innovation Excellence Awards, which saw a 50% increase in the number of entries this year.

Tony Mash, the Stationers' Company's Industry Committee Chairman, says: "The entries received from all sectors of the UK Communications and Content industries were of an extremely high standard, making the eminent panel of judges' task a difficult one.

"The Stationers' Company would like to thank all the organisations that submitted entries. They demonstrate the Communications and Content industries' innovation, best practice, positive social impact, and valuable contribution to the UK economy.

"We would also like to thank PICON, Innovate UK, Hobbs the Printers Ltd, and the Mark Allen Group, who have kindly sponsored this year's Awards."

Join the celebration of the industries' innovation, creativity and excellence at the Awards luncheon at Stationers' Hall, London, on 27 June, where winners will be announced. All shortlisted companies are also invited to exhibit their products and services at the accompanying exhibition.
